

How to find C Force Communications Limited

From **junction 15** of the **M4** take the **A346** towards **Marlborough**.

As you enter Marlborough, turn right onto the **A4** and continue along **Marlborough High Street**. At the end of the High Street the road bends sharply right and then sharply left (past Marlborough College). Stay on the A4 for approximately 1 mile. Keep going past signs for Manton Village and Manton House. **Elm Tree Park is on your right-hand side** (opposite first signpost for Clatford) and there is a ghost-island in the road to allow you to safely turn right. [If you get to Fyfield (and the Murco garage) you've gone too far].

As you come up the drive into Elm Tree Park turn right, C Force Communications are the building on your left at the end of the road.
